Conditions of Permit

1. Only Valid driver's license holders may operate golf carts on City Streets.
2. Golf Carts shall be operated if at all possible in alley ways, EXCEPT that a Golf Cart may make a direct 90 degree crossing of streets and highways and may travel the shortest distance possible on a street if there is no other way to arrive at one's destination. **In all circumstances, it shall be unlawful to operate a Golf Cart on State Trunk Highway 99, except while executing a 90 degree crossing.**
3. Golf Carts may only be operated from a half-hour before sunrise to a half-hour after sunset unless equipped with original equipment head lights, taillights, and rear facing brake lights.
4. Motorized golf carts shall display the **slow moving vehicle emblem** provided in Minnesota Statutes Section 169.522, when operated on designated roadways.
5. Motorized golf carts shall be operated at all times as close to the right hand curb as possible, except when the driver is making a left hand turn, and shall not exceed 10mph within the City of Cleveland.
6. No person shall operate a motorized golf cart on a public sidewalk, city parks or trails or any other public places other than those specifically allowed by this Ordinance.
7. The number of occupants in the motorized golf cart shall not exceed the design occupant load. Each occupant must be seated in a seat designed for occupants.
8. Motorized Golf Carts shall have the permit number supplied and designated by the City displayed on the left side of the vehicle in a conspicuous place in 3 inch letters and numbers.
9. Every motorized golf cart operator must have proof of liability insurance in possession while operating the motorized golf cart on designated streets and shall produce such proof of insurance on demand of a police officer as specified in Minnesota Statutes Section 169.791
10. The motorized golf cart is in good working condition and safe for the transportation of passengers, and shall be equipped with a rearview mirror so located as to reflect to the driver a view of the roadway for a distance of at least 200 feet to the rear of the vehicle.
11. This permit expires two years from date of issue.
